Greetings Doty Families!

It looks like winter is finally thinking about arriving. Please remember to send your students in with their winter gear. We cannot loan out snow gear this year due to COVID. We are unsure yet about whether or not we will be pulling out the sleds this year. If kids are going to be rolling around in the snow, we do need them to be wearing snow pants. We don’t want anyone sitting around in wet britches all day - blech!

Snow days are going to be a bit different this year. If there is big snow in the forecast, the superintendent is going to call a remote day by noon the day before. That will give us time to prepare lunches for students and get devices together to send home with students. The stormy day will be a remote learning day that we will not have to make up in June. This does not mean that there won’t ever be cancellations, sometimes things go crazy in the morning - like when a bunch of roads all wash out. This is the first year of trying things this way so it might be confusing at times, we will just have to figure it out as we go.

Hopefully I haven’t just jinxed us by talking about snow!

As always, thank you for sharing your students with us!

Gillian
Wednesday, Dec 9 - Early Release, 12:30 pm

Wednesday, Dec 16 - Early Release, 12:30 pm

Wednesday, Dec 16 - WCUUSD School Board Meeting, 6-9:00pm, remote

Dec 23 - Jan 3 - Holiday Break, No School
