

Berlin Summer Swim Lessons

Lessons will be through the Montpelier Recreation Department at the Montpelier Pool.

The Berlin Recreation Committee subsidizes the swim lesson program to keep the cost for Berlin residents to \$27.50 per child per two week session. The town of Berlin is only able to offer this the **first 40** children that sign up by July 2nd. You need to **sign up with Montpelier to hold your spot and only pay the \$27.50** (the Town of Berlin will not be able to do refunds if you pay more).

You can find more information at www.montpelier-vt.org . We need to keep a list of the children that will be participating for the town so please **email Rachel at rachelgiroux92@yahoo.com** . You will need to get on the list so you will not receive an additional bill from Montpelier for the remainder of the cost of swim lessons.
