

Dear Families & Caregivers,

Happy Friday! This will be the last of my weekly community letters. Starting in November, I will be switching to a more user-friendly newsletter format that is distributed twice each month. Most months, this will be on or around the first and third weeks of the month, with some flexibility for school breaks. You'll receive the newsletter by link in your email, and it will be formatted so you can view it on mobile devices. So, you won't hear from me next week - but stay tuned mid-November for the first newsletter!

District Happenings - Next Community Forum is November 2nd!

This year we are thrilled to return to a past tradition of rotating our community forums across each of our schools. This is a wonderful opportunity for our community members to visit our buildings. We hope you are able to join us next **Wednesday, November 2nd from 6:15-7:15 at Berlin Elementary School** in the cafeteria! The topic for this forum is "Building a Vision Before Building a Budget," and it is the first opportunity for community members to learn about the budget process and share their thoughts with the Board. We will share some information about the process and then have table-level input discussions.

We understand that not everyone can attend meetings in person. This forum will have an option to participate virtually:

Virtual Meeting Information:

<https://tinyurl.com/yc5wzt7u>

Meeting ID: 881 2132 0824

Passcode: 685420

Dial by Your Location: 1-929-205-6099

And, if you aren't able to attend live or virtually we will be posting the presentation on our website after the forum. We would love to hear your thoughts! You can respond to the same input prompts as the forum by clicking on this link: <https://forms.gle/fZa14A2oc48FAU8A7>. We will have this survey open throughout the month of November.

And a reminder that you can find additional information about the full budget process in this [flier](#).

Check out (and share) our job openings page!

Check out the [job openings](#) section of our website or [www.schoolspring.com](http://www.schoolspring.com) to learn more about joining our team in any capacity.

Warmly,

Meagan
