

November 29, 2021

Dear Parents/Guardians:

WCUUSD is happy to announce that we have partnered with Shaw's OSCO Pharmacy and the VT Department of Health to offer our first vaccine clinic for children aged 5-11.

This first dose clinic will be offered at Doty Memorial School, which is located at 24 Calais Rd, Worcester, VT, 05682. **The clinic will be held from 3:45 pm - 7:00 pm on Tuesday December 14th.** The follow-up clinic for the second dose will be held on Tuesday January 4, 2022 from 3:45 -7:00 p.m..

This clinic will only offer vaccines **BY APPOINTMENT ONLY** - please visit www.mhealthsystem.com/DotyMemorialPediatric to set up an appointment for your child/children. The website will ask which Vaccine you are looking for and the answer is **PFIZER**.

We will be requiring a parent or guardian to be with the child for the entire clinic and they should have an active role in the immunization experience whether it be holding their child or being there for added ease. **Masks are required for anyone in the building.**

We are asking that people be mindful of the 3:45 start time - Doty has a small parking lot and needs time for dismissal (3:30) and room for the school busses to maneuver.

For more information regarding vaccines for children aged 5 - 11 please visit <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/children-teens.html>.

Please reach out to me with any questions or concerns.

Thank you,

Maria Melekos, BSN RN
Covid Coordinator, WCUUSD
