MEMORANDUM

TO: All Employees
FROM: William Kimball
DATE: January 28, 2019
RE: Health Insurance Notice

The Affordable Care Act (ACA) requires employers to provide each employee a written notice of the existence of a health insurance exchange (in Vermont it is the Vermont Health Connect). Washington Central Supervisory Union (WCSU) and all the schools in the district must send this notice to every employee including substitutes. For employees who work for more than one school or are an active substitute in the WCSU district, we are required to send you a separate notice from each school.

Here are the key points about this notice:

- For employees who currently have health insurance through WCSU with VEHI (BCBS), this memo is for informational purposes only.
- The annual open enrollment for WCSU employees to make changes to health insurance elections will still occur January 1st as usual.
- For employees who do not have health insurance through WCSU, this notice includes specific information about the insurance coverage available - see Part B.
