WCSU exists to nurture and inspire in all students the passion, creativity and power to contribute to their local and global communities.

WCSU Verification of Student Age for Pre-Kindergarten

In order to meet minimum/maximum age requirements within our supervisory union, WCSU requires verification of age of our students. Birth certificates are most commonly provided but we do accept alternatives such as a physician's certificate showing date of birth, previously verified school records, even an entry in a family Bible.

Please Note: To be eligible for Pre-Kindergarten in 2019-20, students must be 3- or 4-years old (3-years-old on or before September 1, 2019).

Please indicate the following so we can continue to process your child's registration:
