

PTNO meeting minutes

Monday November 18, 2019

Attendees via skype: Carrie Stoner, Renee Grzankowski, Melissa Tuller

1. Introductions: No new

2. Renee gave the financial update. We received a donation from Halloween of 81.00, plus another 25.00 recently. The 5000.00 for winter wellness came through and has been applied. Ending balance is 12,842.52.

3. Winter wellness update : The survey went out , they had 57 responses .Approximately 60 percent were for skiing , the other 40 percent chose something else (cross country skiing, tubing , skating, snowshoeing). Some people were willing to contribute to the costs.

Still looking into remainder of the costs.

4. *Artist in residence*: Should be hearing on Turrell Grant soon. Everything is right on target. Stacey Rupp has been helping out as well.

5. Cougar wear: Tami and Carrie have been working on a Cougar wear vendor. Were going though Bevin's and Sons however have been told they are going out of business. They are going to check on a place in Waterbury.

6. Halloween party feedback: Was a huge success, many commented best in years. Suggestions for next year: Trunk or treat area: people to arrive at a set time and not allowed to move car until it's over, Haunted forest could use more lights and more adult help. Overall was a good community event.

6. Pasta Dinner: Date set for Jan.24, 2020. Callie W has committed to being the building person and Bryan has committed to cooking. Some prizes already, still waiting on others. Renee suggested maybe we try a silent auction for the prizes instead of a raffle.

Next meeting: December 9, 2019 6-7 pm in the Library
