

June 6, 2020 Update

U-32 Students,

It almost seems surreal that this is the last week of school. Our normal traditions of Step Up day, SCOP, Final Exam Periods, Graduation, visiting 6th graders, and on and on, are now on hold or are virtual. We plan on having some celebrations when we can to make up for some of the lost opportunities this spring. We will be asking you to reflect on how learning has been during the past two and half months; the good, the bad, the meh. Please take a moment to [fill out the survey](#) so we can use that information as we plan for next year.

[Follow this link](#) to the end of year information for all 7-11 graders.

[Follow this link](#) to find information on Graduation.

We will be releasing videos for Senior Awards, High School Awards, and 8th Grade Step up later this week, so be on the lookout.

As you finish school this year, I know that you have so many questions about what next year will look like. Will we be in remote learning? Will we return to the building? How will we make up classes that we got "I - in-progress" in? Will we have to wear a mask to school? What will my schedule look like? We don't know the answers to these questions yet, but we are working on it, and we will know more each week. We are not distributing schedules, because we may have to immediately revise them. We just don't know. I will continue to send messages this summer and we will hold a couple of town hall meetings to keep you informed.

Stay healthy and stay safe,
Steven Dellinger-Pate
