

Good afternoon,

We are finishing up our work in our classes and I hope that you are continuing to engage and finish strong.

Don't miss the WCAX news on Monday, June 1st, during the last 15 minutes. At some point during this time, there will be a message to our graduates and a list of the names of all our seniors.

If you are looking for something to do this weekend, then consider participating in Green Up day. Check out what is happening in your town by going to <https://greenupvermont.org/>.

Reminder to Seniors to complete their survey in Naviance and 8th graders complete the survey sent by Amy Molina. We are counting on you to give us some information.

We have process for returning to school to pick up items from lockers:

4. Please wear a mask and practice social distancing while in the building.
