

May 18, 2020 Update

Dear U-32 Families,

We will be providing our Board of Ed our plan for graduation this Wednesday evening and will inform all of our students and families shortly thereafter. Our goal is to honor our students as best we can even though we will not be able to do our standard end-of-year activities.

We appreciate the support that you have shown throughout this time of remote learning. As we plan for next year, we want you to know that we realize how difficult this is for some of our families and how well it has worked for some of our kids.

There will be no meal delivery on Monday, May 25, Memorial Day. We will also be changing our regular Monday schedule to Wednesday of that week so that all classes meet. Teachers will communicate specifics of their classes.

Please take a look at our [newsletter](#) for more things happening with U-32.

Sincerely,
Steven Dellinger-Pate
Principal
